| Section II       | Potential Hazards Information                                                   |
|------------------|---------------------------------------------------------------------------------|
| This product doe | es not contain hazardous ingredients according to Regulation (EC) No 1272/2008. |

| Section III  | Formulation and Ingredients Information |                                             |
|--------------|-----------------------------------------|---------------------------------------------|
| Product Name |                                         | Cryopreserved Human Liver Endothelial Cells |
| CAS – No.    |                                         | None                                        |
| EC - No.     |                                         | None                                        |

| Section IV       | First Aid Measures |                                                                                                              |
|------------------|--------------------|--------------------------------------------------------------------------------------------------------------|
| In case of cont  | act with eye       | Flush thoroughly with water and contact a physician.                                                         |
| In case of accid | dental swallowing  | Rinse mouth with fresh water, provided the person is conscious. Contact a physician.                         |
| In case of inha  | lation             | Remove to fresh air. Give oxygen if breathing becomes difficult. Contact a physician.                        |
| In case of cont  | act with skin      | Wash the affected area with soap and copious amounts of water. Should irritation occur, contact a physician. |

| Section V                                          | Fire Fighting Measures |                                                                        |
|----------------------------------------------------|------------------------|------------------------------------------------------------------------|
| Suitable extinguishing media                       |                        | Water spray, Carbon dioxide, dry chemical powder, or appropriate foam. |
| Special protective equipment for fire-<br>fighting |                        | If necessary use self-contained breathing apparatus.                   |

| S | ection VI        | Accidental Release Measures |                                                                                                                                        |
|---|------------------|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| M | lethods for clea | ning spills                 | Wear protective gloves and safety glasses. Wipe up spilled product using tissue towels. Place waste in closed containers for disposal. |

| Section VII | Handling and Storage |                                                                                |
|-------------|----------------------|--------------------------------------------------------------------------------|
| Handling    |                      | Avoid contact with eyes, skin, mucous membranes and clothing.                  |
| Storage     |                      | Cryopreserved cells have to be stored below -130 °C immediately after arrival. |

| Section VIII Personal Protection and | Personal Protection and Exposure Control Information |  |
|--------------------------------------|------------------------------------------------------|--|
| Eye protection                       | Safety glasses                                       |  |
| Skin protection                      | Protective gloves and lab coat                       |  |
| Respiratory protection               | Not required                                         |  |
| Ventilation                          | Not required                                         |  |
| Other protective equipment           | Safety shower and eye bath                           |  |

As a general hygiene measure, wash hands thoroughly after handling.

| Section IX       | Physical and Chemical Properties |                |
|------------------|----------------------------------|----------------|
| Physical state   |                                  | Frozen         |
| Appearance       |                                  | Clear solution |
| рН               |                                  | 7.2-7.4        |
| Flash point      |                                  | N/A            |
| Oxidizing proper | ties                             | N/A            |
| Explosive proper | ties                             | N/A            |
| Vapor pressure   |                                  | N/A            |

# Section X Chemical Stability and Reactivity

Product is stable. Hazardous polymerization will not occur.

#### Section XI Toxicological Data

To the best of our knowledge, the chemical, physical, toxicological properties have not been thoroughly investigated. May cause skin irritation. May be harmful if absorbed through skin. May cause eye irritation. May be harmful if swallowed. Material may be irritating to mucous membranes upper respiratory tract.

## Section XII Ecological Information

No data available.

#### Section XIII Disposal

Follow all federal, state and local environmental regulations for disposal.

#### Section XIV Transport Information

This product is not subject to any transport regulations.

## Section XV Biohazard Warning

Tissue fractions such as hepatocytes should be considered as potentially biohazardous, and should be treated as biohazards in the laboratory.

# Section XVI Classification and Regulatory Information

In accordance to current EC-Regulations this product is exempt from specific labeling requirements.

## Section XVII Other Information / Disclaimer

The information, data, recommendations contained herein are believed to be accurate but may not be all-inclusive and should only be used as a guide. PRIMACYT Cell Culture Technology GmbH makes no warranty of any kind whatsoever with respect thereto disclaims all liability from reliance thereon. We reserve the right to revise this MSDS periodically as new information becomes available.

#### FOR IN VITRO RESEARCH USE ONLY. NOT FOR DIAGNOSTIC OR THERAPEUTIC PROCEDURES.
